Lava Beds National Monument News Release

FOR IMMEDIATE RELEASE

July 17, 2014

Lava Beds National Monument Invites You to a Day of Fun for Kids of All Ages on Saturday, July, 26th

Tulelake, CA – Kids of all ages are invited to become Junior Rangers on Saturday, July 26. Bring the family for a day full of activities, especially designed for those with a curious mind.

The goal of the Junior Ranger program is to introduce children to the natural and cultural wonders all around them and their role in preserving these wonders for the future. As they learn about Lava Beds National Monument and have fun, Junior Rangers become stewardship representatives to their friends, families, and schoolmates. Junior Rangers will be prepared to spread their new knowledge about parks and continue to use good environmental practices.

The quest to learn about the history, wildlife, and geology of Lava Beds National Monument begins at the visitor center from 9:30 am to 4:00 pm. Kids will develop creative and survival skills as they participate in a variety of ranger led activities. Junior Rangers have the opportunity to participate in activities that include fashioning rope from native plants, landscape painting, predicting volcanic eruptions, orienteering, and constructing a paper sun. There will also be the opportunity to create unique flowers from pipe cleaners as they learn the story of the Japanese Americans who lived at the Tule Lake Segregation Center. Throughout the day, Junior Rangers will also be able to take an “I Spy” tour through Lava Brook Cave at 11:00 am, Noon, 2:00 pm, or 3:00 pm to search for cave critters and cave structures.

The adventure activities will conclude at 4:00 pm. At 7:00 pm there will be an evening program at the amphitheater where participants will test their knowledge in protecting the Lava Beds’ ecosystem. New Junior Rangers will be honored with a recognition ceremony at 8:00 pm.

EXPERIENCE YOUR AMERICA™

The National Park Service cares for special places saved by the American people so that all may experience our heritage.

For those unable to attend this special day, Junior Ranger recognition can be achieved throughout the year by completing an interactive booklet (available at the visitor center) that guides children through various activities designed to enhance their experience at Lava Beds National Monument.

For additional details please contact the Lava Beds Visitor Center at 530-667-8113.

* * *

Lava Beds National Monument, established in 1925, is a land of turmoil, both geologic and historic. Over the last half-million years, volcanic eruptions have created a rugged landscape dotted with diverse volcanic features. Lava tube caves, Native American sites, historic battlefields and a high desert wilderness experience await you!
